MEMORANDUM  
DSQC #2001-01**

---

**CATEGORY: GUIDELINE**  
**SUBJECT: BENIGN AND UNCERTAIN BEHAVIOR INTRACRANIAL AND CNS  
TUMORS**

Attached is a revised histology listing for benign and uncertain behavior intracranial and CNS tumors to be used for casefinding. It is based on histologies from the WHO Classification of Brain Tumors and the Central Brain Tumor Registry of the United States. The italicized entries represent additions or changes to this list. This replaces the list that was attached to the DSQC #2000-12 Memorandum dated December 18, 2000.
