

# California Cancer Registry Researcher Check List

For Submitting Data Request, Case Listing, or Linkage Applications

*Please Note: Allow for 8-10 weeks from the time of formal approval of your project to receipt of data.*

## Required steps and documentation

- Review and complete the application requirements as outlined in the “[Policies and Procedures for Access to and Disclosure of Confidential Data from the California Cancer Registry](#).” All items noted below can be found in the policies and procedures document.
- Submit the following documents to CDPH Chronic Disease Surveillance and Research Branch’s (CDSRB) program at [research@ccr.ca.gov](mailto:research@ccr.ca.gov)
  - Application for Disclosure of Confidential Registry Data for Research (or Application for Additional Disclosure of Confidential Registry Data for Research for repeat projects)
  - Study protocol (without Appendices)
  - [Appendix 3: Agreement for Disclosure of CCR Data](#) signed by the Principal Investigator and responsible institution official.
  - Copy of current IRB Approvals (both are required for all projects).
    - Institutional IRB approval
    - [CDHS Committee for the Protection of Human Subjects \(CPHS\) IRB](#).  
*For specific questions regarding the application or approval process for CPHS approval, please contact CPHS directly.*
  - List of requested data items from the CCR including brief justification.
    - [Data dictionary](#)
  - Notice of Grant Award, if applicable.
- **Patient Contact Studies** – For requests limited to patients residing within a single region, please contact that region directly. The California Cancer Registry will coordinate multi-region or statewide requests.
