Data Alert - Vendor

2016-029

## REVISED DATA ALERT

2016 Software Vendor Approval: CNEXT Version **1.17.0**

CNEXT Version 1.17.0 has been approved to abstract and transmit cases diagnosed 2016 forward.

Upon receipt of CNEXT's Version 1.17.0, registrars have 45 days to install the software. The approved 2016 software vendor list has been updated to reflect this change. Click [here](#) to view the Software Vendor Approval List.

*NOTE: Hospital users may transmit 2016 diagnosed cases abstracted in CNEXT Version 1.17.0 to their regional registry, however, regional registries may NOT upload the files into Eureka until after the 15.0 release of Eureka. Regional users should retain cases submitted in CNEXT's Version 1.17.0 until notified by the CCR that they are permitted to transmit to Eureka.*
