2016 Data Changes Presentation

A recorded presentation on the 2016 Data Changes is now available on the CCR website for viewing. Also available are presentation handouts, as well as a draft of the complete coding guidelines for the new data items for your reference until CCR Volume I updates have been published. We hope you find this information beneficial. To review the 2016 Data Changes Presentation, Click [here](#).

Please submit any questions regarding presentation content by email to Donna Hansen, CTR: dhansen@ccr.ca.gov
