New CCR edits metafile report

The CCR13Av12 edits metafile went live on Eureka Production at 18:00 on 03.06.2014.

An updated CCR edits metafile report (click [here](#) to access) is attached with this alert. The report is updated and distributed on a weekly basis using this method, or when there has been a patch.

The report lists the planned CCR edits metafile releases, recent fixes, upcoming fixes, and details of outstanding issues.
