2014 Software Vendor Approval: Elekta Impac's Metriq version 2.80

Elekta Impac's Metriq version 2.80 software has been approved to abstract and transmit cases diagnosed January 1, 2014 and forward or any cases abstracted after the installation of Metriq version 2.80 software.

As a reminder, registrars are encouraged to complete pre-2014 diagnosed cases before installing the 2014 software. Upon receipt of Elekta Impac's Metriq version 2.80 software, registrars have 45 days to install the software.

The approved 2014 software vendor list will be updated to reflect this change. Click [here](#) to view the Software Vendor Approval List.
