2013 Software Vendor Approval: Onco Version 4.2 & ERS Version 10

Both Onco Version 4.2 and ERS Version 10.7 have been approved to abstract and transmit cases diagnosed January 1, 2013 and forward OR any cases abstracted after the installation of either of these software versions.

As a reminder, registrars are encouraged to complete pre-2013 diagnosed cases before installing their 2013 vendor version software. Upon receipt of the above software versions, registrars have 45 days to install the software.

The approved 2013 software vendor list has been update to reflect this change. [Click here to view the Software Vendor Approval List.](#)

NOTE: Please contact your software vendor to obtain the latest software upgrade.
