ANNOUNCING: First edition of CCR Innovations
http://ccrcal.org/PAQC_Newsletter/HTML_V1_I1/index.html

Our quarterly bulletin, CCR Innovations, is now available! We will be using this venue to keep both regional and hospital registrars updated about current projects and advancements the CCR is working on.

Inside you will find articles from our Production Automation and Quality Control Unit, Eureka, and Surveillance Unit. We hope you enjoy our first edition!
