## DATA STANDARDS AND QUALITY CONTROL UNIT

### 2010 DATA CHANGES ALERT

### Timeliness Reports

The 6 month timeliness summary report for January - June 2010 will be distributed in July. The CCR is suspending the bi-monthly timeliness reports until September and will reassess the timeliness report distribution at that time.

Please refer to the 2010 Data Changes Alert titled, "Registrars Instructions for Abstracting and Transmitting 2010 Cases" sent on 2/1/10, for further clarification regarding the suspension of timeliness reports due to delays in software availability. Copies of 2010 Data Changes Alerts are located on the CCR website [www.ccrca.org](http://www.ccrca.org) under Registrar Resources.
