

**CCR Educational Meetings
2018 Data Changes - SAVE THE DATE!**

Coming to a location near you! The California Cancer Registry (CCR) is pleased to announce a single day educational opportunity focused around 2018 Data Changes. Specific cancer sites will be used to demonstrate data collection incorporating Grade, EOD, SS2018, STRs, SSDIs, AJCC, and new radiation items. This educational program is being offered in multiple locations throughout the state. Program content will be exactly the same for each date/location. Denise Harrison, LLC, will be providing the training. Two dates will be hosted in conjunction with California Cancer Registrars Association (CCRA) meetings.*
