

## **Quality Control Unit Data Alert – Registrar 2021-17 Q-Tips Moving to FlccSC**

Notice: All previously issued California Cancer Registry (CCR) Q-Tips have been moved into the CCR learning management system FLccSC. You can find them under the Course Category “CCR Q-Tips”. Once you open the course category “enroll” in the Q-Tip you wish to review, enter the course and download the file. After you have downloaded the file the Q-Tip will move to your “completed courses” tab where it will remain indefinitely- and you can find it there to refer to at any time. The Q-Tips from 2015-2020 will remain on the CCR website for reference through 2021; after which they will be removed.

Going forward, to allow for more flexibility in content format and ease of access, newly issued 2021 Q-Tips will be posted directly into FLccSC and no longer on the CCR website. The CCR Website Q-Tips section will direct the user to the FLccSC URL link, which will take you to the FLccSC login page.

If you do not have a FLccSC user account use the link below to access the FLccSC login page and click the box “New Users – Register here” in the bottom right hand corner and set up your profile
