

## Quality Control Unit Data Alert – Registrar 2022-02 Timeliness Requirement Update

The timeliness requirement extension detailed in [Data Alert – Registrar – 2021-20](#) will continue to be in effect until April 30, 2022 to provide facilities adequate time to install approved v21 software updates and transmission of 2021 cases.

### **Timeliness will be reinstated May 1, 2022**

- 2021 diagnosed cases, with a date of first contact between January 1, 2021 and October 31, 2021 and received by April 30, 2022 *that do not qualify for On Time timeliness (within 6 months)*, will be excluded from The CCR timeliness requirement.
- All other cases are still subject to the CCR Timeliness Requirement Standard, as described in [Volume I](#): Timeliness and Quality Control.

As a reminder, cases first seen in 2022 are expected to be submitted and received within 6 months of date of first contact.
