

**Quality Control Unit
Data Alert – 2022-16
New CCR “Q-Tip” has been posted to FLccSC**

Brain - Surgery of Primary Site Coding Clarifications

This Q-Tip includes tips for assigning the correct surgery code for primary brain cancers and also includes guidelines for documenting surgery in text. The document focuses on the most common coding issues that were found in recent CCR Audits. The new Q-Tip can be found in FLccSC under the Course Category “CCR Q-Tips”. Once you open the course category, “enroll” in the course “Q-Tip Series – Primary Brain Cancer Coding Clarifications”. Please note this Q-Tip is the first in a series to be published for brain cancers. Enter the course and download the file.

Other FLccSC Reminders:

- CCR 2022 Data Changes Presentation is now available. Learn about important changes for 2022 and earn .75 NCRA CEs.
- The 2021/22 NAACCR Webinar Series is posted to FLccSC and can be found under the category “NAACCR Webinars 2021 to 2022 Season”. Earn FREE CEs!

If you do not have a FLccSC user account use the link below to access the FLccSC login page and click the box “New Users – Register here” in the bottom right hand corner and set up your profile
