2023 Reporting Timeliness Suspension Extension *and* Reinstatement

The CCR is happy to announce that as of November 21, 2023, all vendors that have submitted test files for v24 approval are now approved. To allow for software implementation, CCR will be extending the Timeliness Requirement Suspension detailed in [Data Alert-2023-10](#) for 2023 cases through February 29, 2024.

- **This means Reinstatement of the Timeliness Requirement for 2023 cases becomes effective March 1, 2024.**
- The CCR Timeliness Suspension and Reinstatement applies to all reporting facilities.
