

## Quality Control Unit Data Alert – 2025-01 Access to CCR Education and Training Materials

FLccSC remains offline and the CCR does not have an ETA on when it will be back online but continues to monitor the situation.

### How to Access CCR Education and Training Materials

As an interim solution, CCR has worked in partnership with the California Regional Registries to provide access to education and training content most recently published to FLccSC. Each Region will be making the following content available to the facilities/staff in their catchment area. Therefore, if you would like to receive this content, [please contact your Regional Registry](#).

#### CCR Recorded Training:

- **2024 Annual Data Changes.** Learn about changes specific to California for 2024. Approved for 0.75 NCRA CEs (0.5 Category A CEs). Arrangements will be made to provide CE Certificates once FLccSC is back on-line.

#### CCR Q-Tips:

- **Scope of Regional Lymph Node Surgery**
- **Melanoma Skin – Diagnosis Years 2018 and Forward**
- **Melanoma Skin – New Surgery of Primary Site Codes and SSDIs for 2023+**
- **Urinary Bladder TURBT and EOD Primary Tumor Coding Reminder**

#### NAACCR Webinars:

- **2024/25 NAACCR Webinar Series (limited).** *Larynx and Base of Tongue, Bladder 2024, and Hematopoietic 2024 Part 1.* NAACCR has provided a limited waiver to share these three webinars while FLccSC is down.
