

Quality Control Unit Data Alert – 2025-06 Volume I – 2025 Annual Data Changes

The California Cancer Registry has published the twenty-fifth edition of the California Cancer Reporting System Standards, [Volume I: Abstracting and Coding Procedures for Hospitals](#).

Volume I documentation included in this release:

- 2025 Volume I, Appendices A-I, notable updates:
 - Restructure – The CCR offers the 2025 Volume I in a hybrid design, with links to the National Standard Setter manuals we source. For details, please see the Changes and Clarifications – 25th Edition as well as the “Using Volume I” section within the volume.
 - 2025 Specific Updates:
 - Using Volume I section
 - No updates for 2025 ICD-O-3.2. Please continue to use the 2024 ICD-O-3.2 – Coding Tables
 - Guidelines for Pediatric Data Collection System
 - Date/Time stamp for Pathology Report Identifier Data Items
 - Date of Initial RX SEER data item
- 2025 Changes and Clarifications document – Revisions made to Volume I – 2025.

Note: Volume I is published annually. Any revisions after publication will be addressed in Volume I, Errata, 2025 as needed:

- Addresses corrections and clarifications that have been discovered after final ADA approval of Volume I by CDPH.
- Updates in this document will **not** be reflected in Volume I – 2025. However, they will be notated and have effective dates associated, when applicable. Any items published in the errata will be added to the next Volume I release, scheduled for 2026.

The above documentation is located on our website www.ccrca.org Data Standards and Reporting/Cancer Registrars, Hospitals, and Facilities/ Registrar Resources and Reporting/ under CCR Standards on Reporting Cancer in California, Volumes I-IV.
