CCR26A Edits Metafile Update Released

The California Cancer Registry (CCR) edits metafile has been updated and posted.

The CCR metafile can be downloaded from the ccrcal.org metafile page as well as the NAACCR Metafile Clearinghouse.

Important Note:

- California has adopted Federal Information Processing Standards (FIPS) codes for the coding of California counties.
- County code listings are maintained in the SEER Program Manual, Appendix A: County Codes, under the California (CA)-SEER Area section on page A-3.
- **State-specific county codes are no longer used.**
