Volume I - 2018

Annual Data Changes Release

The Cancer Informatics and IT Systems Unit of the California Cancer Registry has published the eighteenth edition of the California Cancer Reporting System Standards, Volume I: Abstracting and Coding Procedures.

Click Here! to access the following Volume I documentation:

- PDF version of 2018 CCR Volume I.
- PDF versions of the 2018 Volume I Appendices.
- The 2018 Changes and Clarifications document.

NOTE: Portions of Volume I were revised based on the DRAFT SEER Program Coding and Staging Manual 2018. The CCR will review and revise Volume I based on any changes made in the finalized version.

The above documentation is located on our website www.ccrcal.org Registrar Resources, Reporting Cancer in California, Volumes I-IV.
