## CCR Inquiry System (CCRIS)

### New User Tutorial

The Production Automation and Quality Control (PAQC) Unit of the California Cancer Registry has posted a revised tutorial for new users to the CCR Inquiry System.

The following updates have been made to the PowerPoint.

- Added slides to address resetting password.
- Updated "Search Inquiries" section, circling the area to enter and click.
- "Admin" page is now "Profile" page.
  - Added slides to instruct users on how to update their profile.

Click [here](#) to view the tutorial.

The CCR-Inquiry System and the New User Tutorial can be accessed on our website [www.ccrca.org](http://www.ccrca.org) under Registrar Resources, "CCR Inquiry System".
